Dr. H. H. Goode
Chairman,
Project 117-L Advisory Committee
2517 E. Engineering Building
Ann Arbor, Michigan

Dear Dr. Goode:

Your letter of 10 January requesting that Mr. Arthur Charles Lundahl be permitted to serve as a member of Project 117-L Advisory Committee has been considered and I have given Mr. Lundahl permission to attend your Committee meetings on 29 and 30 January 1958 at Ann Arbor, Michigan.

Inasmuch as Mr. Lundahl has a very busy schedule, I am not certain that it will be possible for him to attend all of your scheduled Committee meetings. With this reservation, I would also approve his participation as a member of the Advisory Committee.

I thank you for your invitation and trust that our participation may be of mutual advantage.

Sincerely,

ALLEN W. DULLES
Director
